

# Welcome to Kelmscott Career's Fair October 2019

We invited Colleges, Sixth Forms, Local Businesses, and other Training Providers to come and give careers advice and information to our Year 11 and 12 students.

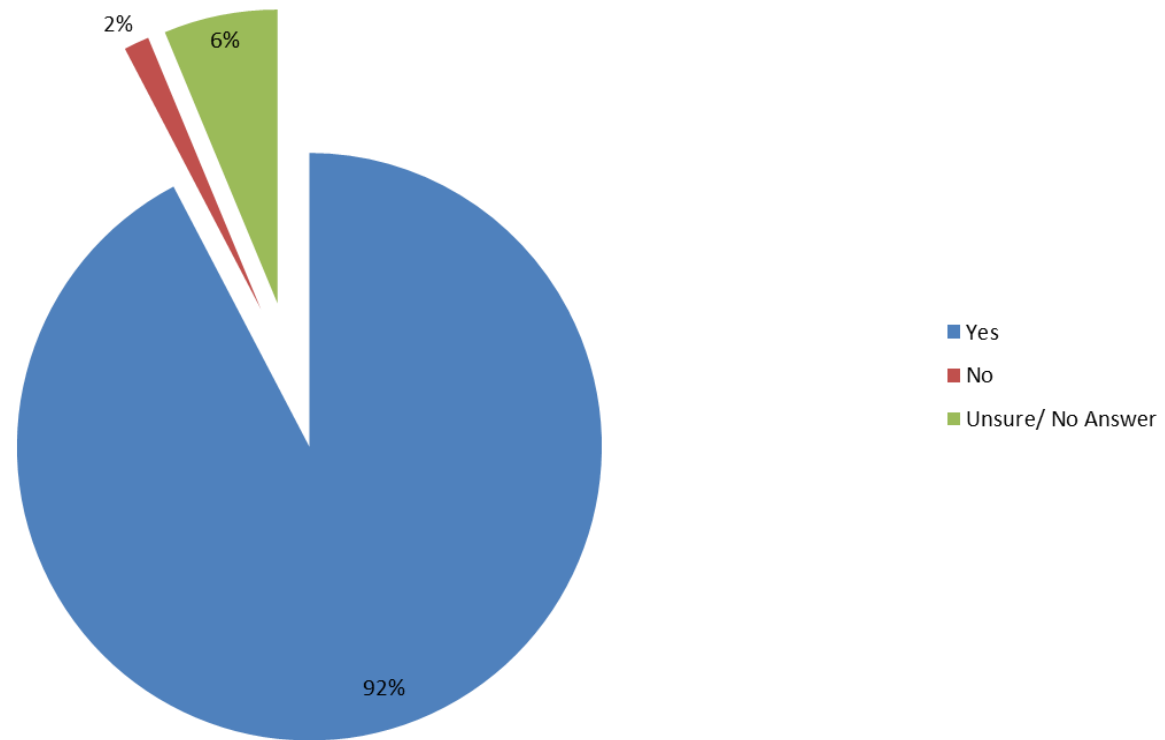

We gave each of our student's a survey to complete asking for their opinions on the event.

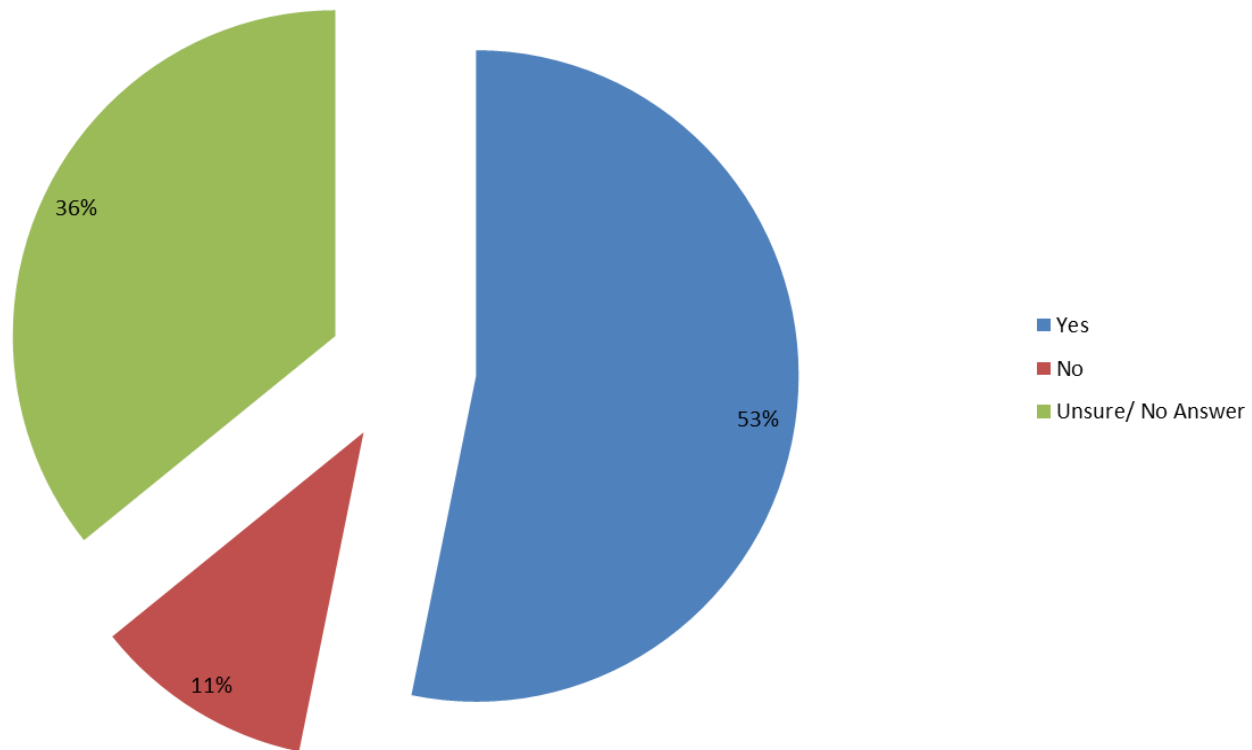

We asked students if they found the event useful and their responses were:

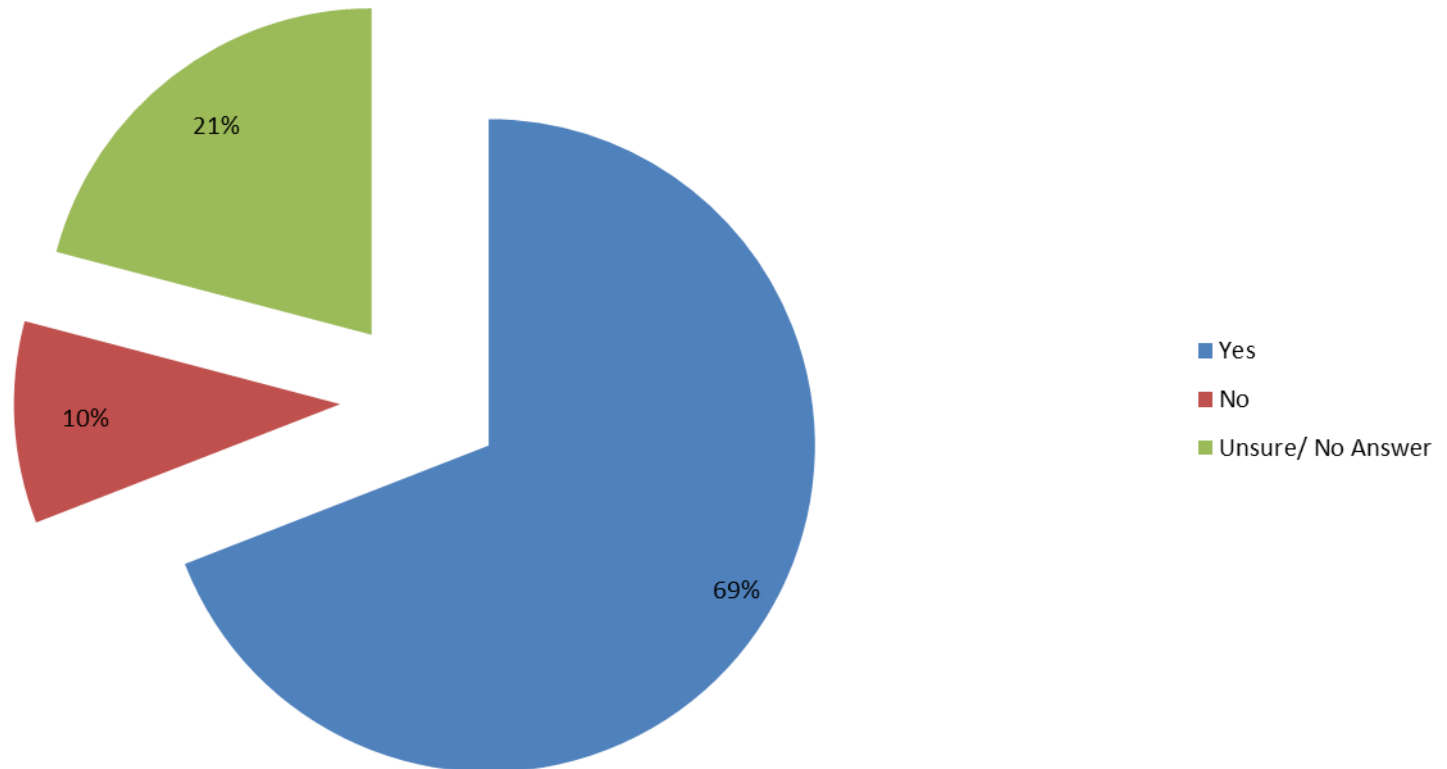

We asked our students if the event helped them to decide where to apply and these are the results:

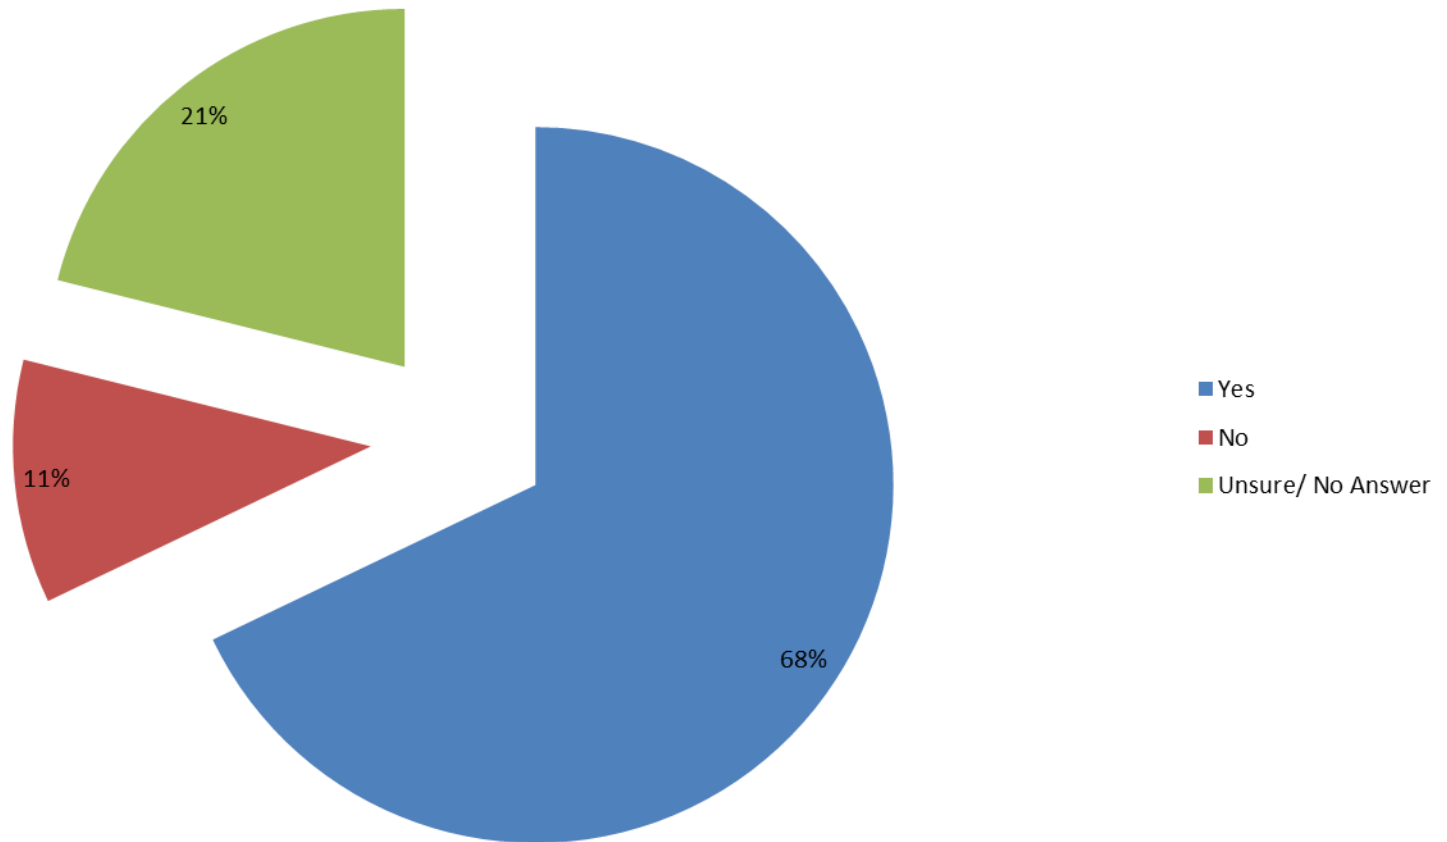

We asked students if this event had given them the information about the what qualifications or training the need for their chosen career, and they responded with...

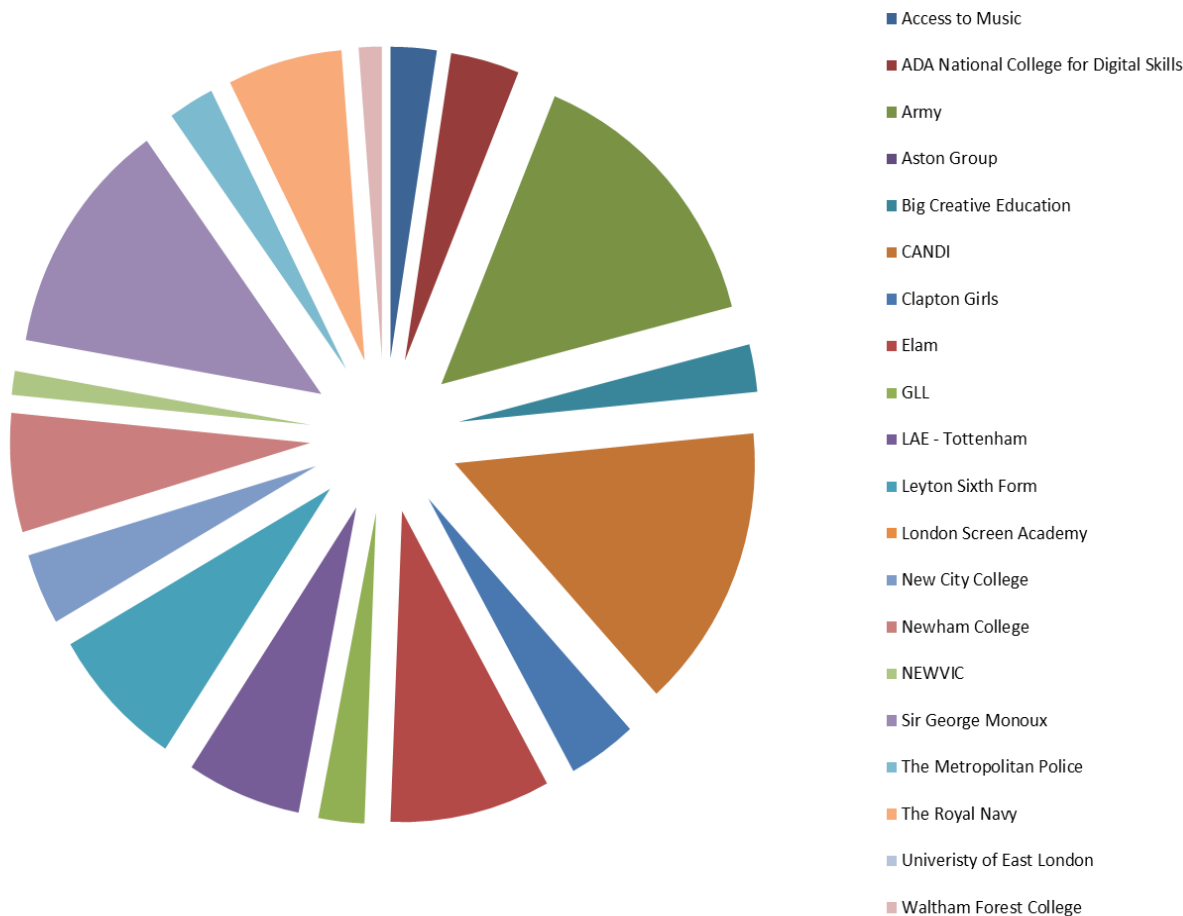

Students were asked if they had been given information about vocational and apprenticeship training schemes and they replied:

We asked students to decide which stand they felt was the most eye-catching and their responses were:
